NOTES:

Digital advertising exposure time will depend on the total number of digital ads purchased for City Meet.

The purchased advertisement will be placed in the Scoreboard loop, which will be displayed during block practices, warm-ups, and between swimming sessions. (Just prior to and during the swimming sessions, the scoreboards will be set up to show the race results.)

The purchased advertisement will also be placed in the TV loop, which will be displayed continuously during block practice, warm-ups, and during the swimming sessions. (The TV loop is a picture-in-picture display showing both scoreboards and advertisements simultaneously.)
