

ROCKET CITY SWIM LEAGUE
MINUTES
Thursday, May 21, 2009

The second meeting of the 2009 RCSL swim season was called to order at the Southeast YMCA by President, Rhonda Allen.

Roll call was taken. The following teams did not have a Rep reply to roll call: Byrd Springs, Mountain Springs, Sharon Johnston, and the YMCA. Valley Hill Country Club did not have a coach reply to roll call.

The minutes from the first RCSL meeting in April were approved. The motion was made by Greenwyche and 2nd by Monte Sano.

Tommy Kibler: The first dive meeting will be June 1

Susan Swing: Budget could not be presented since the insurance company has not provided us with an estimate for City Meet. Dues were collected from all teams except Lilly Flagg.

Chris Espy: Records Chairman. The addition to Roster form was handed out. Each team received one copy and may print more off of the Web site. This form must be used to add a swimmer to your roster. Please send it in with your meet results to Chris.

We will be updating all teams to 5.0 MM/TM next summer. Please budget for this—it will cost each team \$130. If you received your upgrade this summer—you will still owe the \$130 next summer. If you upgraded on your own—just let Chris know and we will not order your pool the upgrade.

Each team will be e-mailed a proposed change to the ROC tomorrow. The conversion factor for changing times from meter to yards in the ROC is not the default setting in MM. We would like to make this standard so we are all using the same conversion. This change will be voted on at the June 25th meeting.
