Chris Espy went over the schedule for scoring and computer training. Training will be held at Brahan Springs Recreation Center on May 18th at 6:30pm and May 22nd at 8::30am. Teams will need to bring their own laptop with the new software. Chris will send emails to the reps when the meet manager information is ready to download for the online exercises. Chris also handed out pink and blue index cards. Mt. Carmel and Redstone did not receive pinks, but will get them by next week.

Caroline Espy discussed City Meet jobs. She asked that each team appoint a Point of Contact (POC) for their volunteers. Caroline will write out job descriptions for each city meet job. A fan order was taken for city meet. The list of assigned city meet jobs was handed out to the teams. More information will be coming to the reps via email.

Steve Henderson asked that reps encourage officials to certify or re-certify soon. The re-cert test is shorter than the certification test. Starter Referee

certification will need to take the recertification of Stroke and Turn first, then take the Starter Referee test. They must also watch the DVD and attend Deck Training.

New or Unfinished Business:

Whitesburg will be hosting an Invitational. It will have to initiate a participation limit. Each team should let Steve Henderson know how many swimmers you'll have.
