

RCSL General Meeting 9-20-12

- Meeting called to order at 6:05pm by Lisa Potter
- Roll Call, all teams present except for whitesburg.
- Ribbon Buy Back
 - Marybeth went over the ribbon buy back policy. Stated that ribbon buy back would take place at the end of the meeting. Asked that all teams count their pinks & blues before we order next year to cut down on those expenses as well.
- Computers
 - Greg stated that he will check on any upgrades to meet manager and the cost before the start of the next season.
- Officials
 - Steve stated that during dual meets, if a swimmer swims exhibition, they CANNOT swim any other Individual Event. They can swim in relays. HyTek Software WILL help you check for this.
 - Also stated that some rules have been challenged that really shouldn't be. The rules may need to be changed to stop petty challenges. Please don't ask officials to challenge those rules and let them focus on the swimming.
- Proposal to amend the swim cap rule.
 - Passed unanimously.

 - Vendors
 - ATM-broke but next year hopefully will bring it again.
 - T-shirts- probably use a different vendor next year. On-site was much better than ordering.

- Food- was great not having to deal with concessions, but next year maybe try to find vendor with more options.
 - Heat sheet ads- Clint Blasingame (BYRD) won't do it again. Need to find a volunteer to fill this position.
 - Mullins Rental- didn't fulfill their obligations. Recommend using another vendor next year.
 - Ribbons- some were misplaced. Let the board know if you didn't get all of yours.
 - Determined that we need to have SPECIAL NEED badges next year.
 - Determined that we need to re-evaluate and change the number of coaches badges for next year.
