## 2025 Officiating (04/25/2025)

(Changes from last year  
noted in Red highlight)

# Purpose

- RCSL relies on parents to assist with running the swim meets. This includes meet officials and stroke and turn judges.
  - It's easy to do and is critical to your team.
  - Effective, knowledgeable, and experienced Officials support competitive fairness of the league as well as efficiently executing dual meets and City Meet.
  - Certification testing, Deck/Video Training, and Practice are the key components to becoming a good Official.
  - It is a RCLS ROC requirement that every team to participate in league play have at a minimum of 2 certified Starter/Referee and 2 Stroke and Turn judge rostered to your team.
  - Not having adequate depth of team roster of trained Officials available could lead to meet delays or even forfeiture of meet by the home team.
- This presentation will establish the process for becoming an official and identify changes instituted for this year.

# What to Do?

- Look at the current list of your certified officials and see who needs to recertify. Identify not listed who might be good candidates to get certified.
  - Current status of each pool's officials is maintained on the RCSL web portal. (copy also included, use postmark date on charts to know the currency of data.)
- Take and pass the online written and Officiating Video tests, attend deck training
  - Written Test is mandatory, others depend on whether initial certification or a re-certification as an official
- A new 2025 USA Swimming Rules and Guideline book has been published.  
[https://websitesdevsa.blob.core.windows.net/sitefinity/docs/default-source/governance/governance-lsc-website/rules\\_policies/rulebooks/2025-rulebook.pdf](https://websitesdevsa.blob.core.windows.net/sitefinity/docs/default-source/governance/governance-lsc-website/rules_policies/rulebooks/2025-rulebook.pdf)
  - Effective date is 5/01/25.
  - Currently no new RCSL Rules of Competition this year.
  - Linkage to Rules of Competition available on the RCSL website.

# What to Do? (things to know)

- Certification tests generated to USA 2025 requirements
- Certification test will be written to be common to the posted release of the RCSL Rules of competition (No officiating changes have occurred since the 3/25/17 draft)
- However, the most current USA Swimming rules and RCSL Rules of Competition will be used at the City Meet, Dual Meets, and other events
  - It is the responsibility of the Officials of each team to make themselves aware of the current release rules when they come available
- The certification test site is available starting 5/03/25, you may then begin to start testing.
- Online testing will now be available from early May thru December yearly to certify and re-certify your officials
  - Current USA and RCSL Rules of Competition for the previous year will apply
  - Attending deck training (or approved equivalent by VP-Swimming) is required for initial level certification. (video has been integrated into the online test.)

# What to Do?

**(relevant USA-S 2025 changes)**

- No notable changes impacting Officiating.

# What else to Do?

- USA Swimming videos have been integrated as questions into the tests.
  - Online videos beyond those integrated into the test are accessible at:  
<https://youtube.com/playlist?list=PLJUznzZd1j8Urx4pxOW9gYFCzrWMb0jgx>
- Updated Disqualification Slip form created this year.
- More closely aligns with the current USA Swimming slip
- Forms may be printed as needed from the link posted on the website
  - Refer to the 2025 watermark and “(rev 04/2025)” in the lower-left corner of the slip for the current form
- *Have Refs review new slips to become familiar prior to the first meet*
  - If they should have questions have them email or call me.
  - Discuss with S&T Judges so they are also familiar.

## What else to Do? (cont)

- RCSL accepts valid certification from USA-S swimming
  - Pool Reps need to supply data showing your other league credentials are current.
  - USA-S S-T is equivalent to an RCSL S-T certification. USA-S Ref is equivalent to RCSL Str/Ref.
  - USA-S Str certified officials will need to take and pass RCSL Str/Ref recertification test and pay a fee to be fully certified to officiate as both an Str and Ref for RCSL meets
  - NAHSSL may use RCSL certification to maintain credentials
    - High School Swimming follows rules the National Federation of High School (NFHS) rules, additional rules may apply.

# What else to Know?

- RCSL employs a third-party online testing provider
  - To cover expenses, a small fee will be required to process Official certification/registration
    - \$20.00 fee for initial certification; \$10.00 fee for re-certification
    - Permits up to 3 attempts to attain a passing grade
    - Fee paid online with a Paypal account or Credit Card
      - Teams wishing to write a check for officials' fees can be accommodated
- Certification tests continue as a web-based online test
  - Third party tool is used (classmarker.com)
    - User able to define own username and password
    - Grading automatic, can simply retake up to 3 times to attain an 85% passing grade
- Links to each test will be provided in this document and will have links in the RCSL web pages.

## What else to Know? (cont)

- All individual certification or recertification will do so using the online test
  - Successful Fee processing or arrangement require for Officials to be compliant
- **Highly Recommended:** Officials recertifying who have not viewed the USA Swimming Videos or participated in Deck Training in the previous 2 years should consider doing so.
  - Videos are accessible at  
<https://youtube.com/playlist?list=PLJUznzZd1j8Urx4pxOW9gYFCzrWMb0jgx>
- **Recommended:** Coaches and Pool Reps take the Practice Stroke-Turn and/or Referee-Starter Test. (there is no charge for practice test)
  - Gives a very good overview of what officials will be looking at for possible disqualifications.
  - Viewing of the USA Swimming Videos is excellent source of form and format of each stroke and what infractions are possible.
- **Exception:** Current USA Swimming official certification of the same level will be honored by RCSL, no further testing will be required.
  - Need to provide credentials for acceptance (with expiration date).
  - If currently a S&T or Starter for USA Swimming, and wish to qualify as a Starter/Ref, only the Starter/Ref recert test need be taken.

## What else to Know? (cont)

- Recert Officials need to take (and pass) the tests with “Recert” in the test title (they are shorter tests!)
- Initial Certification candidates need to register, take (and pass) the test, and attend deck training.
  - Attendance will be kept for Deck Training (make sure your attending officials sign it to get credit)
- If an official happens to fail their test, just take the test again
  - Review your failed results to support your next attempt.
  - Official will have 3 attempts before a reset will be required.
- Online testing leverages video snippets as the basis for testing. However, still believe in the value of the use of questions and research of the USA-S Rules and the RCLS Rules of Competition questioning too. Test questions will be based on watching videos and answering questions and research rules to answer scenario-based questions.

## What else to Know? (cont)

➤ Initial official certification is good for **one (1) year/season**, with recertification required the following year, and subsequent recertification are good for **two (2) years/season** after that.

- Str/Referee step up paradox

- If after becoming a S&T Official (pass test, deck train) you immediately “step up” to a Str/Ref the next year you would take 2 tests, and deck train again. Then in a year would recert and take 2 tests ... Again

# Things to consider...

- Having insufficient number and type of Officials may be cause for forfeiture of a Dual Meet
  - Officials are ultimately the responsibility of the Home pool
  - Minimum needs for an effective and efficient dual meet
    - 1 Referee
    - 1 Starter
    - 4 Stroke and Turn Judges
    - Need other volunteer officials too (clerk and computer table workers, place judges, head timer, timers, runners, etc.)
    - You will need to have more than the minimum officials and these folks need to support City Meet!
  - Every Pool to remain in good standing in the RCSL must maintain the minimum number of certified officials available.

# Important Dates to Remember

- **5/03 (sat)** – Updated Officiating linkage on the RCSL web page. Source material links and provides direct links to online testing through this date also.
- **5/03 (sun) to 6/03 (tue)** – Access desired test and take and pass the test
- Deck Training Dates:
  - **Wednesday 5/14. Mountain Springs 5:30 PM**
  - **Monday 5/19. Piedmont 5:30 PM**
  - **Wednesday 5/21. Mt. Carmel 5:30 PM**
- **6/03 (tue) midnight**, All Tests submitted, required deck and training completed, and a qualifying score attained
  - Current list of certified officials will be maintained on the RCSL website
  - Some latitude permitted but must have sufficient officials to conduct meet on **6/04**
