Note: Diving Regulations, Rule #5

All Dual Meets will begin at 6:00 pm on the date scheduled unless changed by mutual consent of both teams 72 hours prior to the scheduled meet.

Consideration was given to the swim schedule when planning this schedule; however, an overlap of host teams (dive & swim) on the same week was unavoidable. We apologize for the inconvenience. Rule #5 offers the option of changing the meet date if both teams are agreeable. Ending dual meet competition on June 25 may discourage divers not entered in city meet. Please notify the Diving Director of any changes.
